Zumba

Zumba fuses hypnotic latin rhythms and easy to follow moves to create a dynamic fitness program. New to RRD&PC, the goal of Zumba is to help people enjoy exercising. You can burn fat and sculpt your body with fast and slow rhythms. What could be better than burning calories while having a blast? Zumba is the single most influential fitness movement in the fitness industry. Zumba says, "Ditch the workout, join the party!" [www.zumba.com](http://www.zumba.com)
