

TUITION DUE

The second half of Session II tuition is due the week of February 20th!

***Each week late, your account will receive a \$5 late fee**

***Recital Costume fees were due January 31st!**

A note from Artistic Director, Karin Rudd

Many of you have received your costumes or will be getting your costumes shortly for our recital April 29th. Please set these aside somewhere safe after you have tried them on to make sure they fit. Remember that the recital is the end of April so allow for a little bit of room if your student is still growing. Let Amanda or Karin know ASAP if you have questions about the costumes.

Your instructor will send a note home regarding tights, shoes and any other accessories needed with the costume in March. Do not go out and buy new shoes, tights, shorts or pants for your costumes until you have received the note from your instructor. Recital is an exciting time to showcase the technique and performance skills that students have learned in class throughout the year.

We all look forward to an exciting week starting April 23 and ending with our recital at Davies High School April 29th. We are very proud of the work our students are doing. The classes have all a great start on their recital dances and it promises to be a very fun show where you will see everyone "Dance Out Loud!"

Check out our Session III schedule on the last page of the newsletter. Session III gives students the option of doing classes 5 weeks at a time over the course of 15 weeks. We have a lot of exciting classes and opportunities starting April 30 and running through the middle of August. Parents and friends will be invited to a "show-and-dance" at the end of each 5 weeks. Each student has the option of wearing a costume for this class.
