

RED RIVER DANCE

OUTREACH SPRING 2023

This spring our outreach program gained a new coordinator, Bailey Fletcher, who has been teaching outreach classes since 2021. This was our second session with Beyond Dance, with an added class for the age 15 plus. Beyond Dance will continue to offer classes in the summer and fall. Our outreach program also offered classes to Friends of the Children and Head Start this session along with acro classes for the Boys and Girls Club.

For the first time post COVID, Red River Dance made their appearance at New Life Perspective Assisted Living, where many of the residents asked for us to return. A sneak peak into the future, outreach will be collaborating with Art and Soul as well as HOPE Sports and Recreation.

Any recommendations or ideas for outreach, contact Bailey at outreach@redriverdance.com
